

**IMPORTANT SEATING/HOUSE NOTES:**

- Maximum seats per row is 15
- all seats are 3' back-back
- all seats are drawn as 18" square
- all Fire Marshall approvals for this will be solicited and obtained by house.

**WE WILL NEED ALLOWANCE FOR:**

- audio and lighting production in the service corridor, against the ballroom wall for a total of 5' in depth the length of the run from door-door
- Fire Exit signs will be hung by house on the drape L/R of the stage
- Power will be routed on the ground to the area SL indicated as "VIDEO"
- Space in the Grand Ballroom (aka "Office") will be needed for dead case storage (apx. 2000 sq. ft.) To be available Sat AM thru run of show + 8 hours.
- The house curtain on the service corridor wall will be removed in advance of our arrival and we will use the existing track to hang our cyc or other soft goods. We will provide hangers.
